

APVS- Purchasing, Training & Certification

A+ Video Solutions - APVS
Surveillance Product Group

Purchasing Information

Thank you for your interest in APVS Video Equipment & Solutions. APVS Video Solutions have been deployed for City Governments, Military Bases, Schools, Commercial and Industrial applications. It has been proven in the most demanding environments and is a True Enterprise Class Solution. APVS equipment has been designed specifically for and is compatible with APVMS, Milestone as well as other Software Platforms. APVS hardware along with either APVMS, Milestone or other software platforms will provide a complete Enterprise Video Solution.

APVS is open-source, non-proprietary equipment. The product is unrestricted and available to contractors, resellers or users interested in the product. APVS equipment is manufactured by A+ Systems Group and uses industry standard components. To purchase or to further inquire about APVS equipment please contact A+ Systems Group at apvs@aplusworld.com or (800) 487-7880.

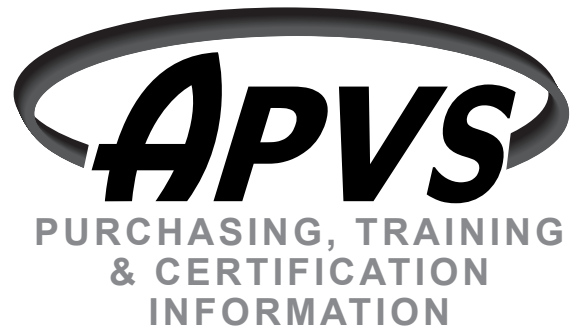

Again, Thank you for your interest in APVS Video Equipment & Solutions. To purchase or to further inquire about APVS equipment please contact A+ Systems Group at apvs@aplusworld.com or (800) 487-7880. We look forward to working with you in the future!

A+ Systems Group, a division of A Plus Security, Inc. provides adaptive security solutions for personal, government, and business needs by networking proven state-of-the-art technology with customized, integrated software designs to protect and monitor sensitive locations with 24-hour coverage.
